Study Hall
Resource Study Hall

Winterim Courses (1 per year at .5 credits each = 2 total credits required for graduation)

Note: Some Winterim courses are offered every other year, and others are offered the years that there is enough student interest. Students will not fill out course requests for Winterim classes until 2nd quarter (usually early November). More courses are added each year, and the complete list with descriptions will be distributed before courses are requested. If a student chooses to take a college interim course during this time instead (i.e. a CNA course offered through MPTC), the family will be responsible for any fees associated with the course and LWLHS will include the credits earned on the high school transcript.

ACT Preparation (mini-course in addition to main course)
American Government
Apologetics
Astronomy
Athletic Careers and Fitness
Crime and Detective Fiction
Drivers' Education (mini-course in addition to main course)
